INTRAOrganization COMMUNICATION

February 7, 1973

Mr. Robert C. Rusby
Director of Manpower
South Central Region

Dear Bob:

I have in front of me the Separation Notice for Gene Bobo, former district Scout executive in Midland, Texas. Remarks on the Separation Notice tell me loud and clear that this man should, under no circumstances, be re-employed. Then, under the regional comments section somebody has written in red ink the words "red flag".

Bob, if this is a confidential file case, then we need complete documentation as to why. We need to know the story in order to determine whether the man should be considered for registration as a volunteer. In addition I think we should have more complete documentation for his personnel file as well.

Hope that you will be able to supply me with this documentation in the very near future.

Sincerely yours,

Earl L. Kroll

IN REPLY
REFER TO:

Mr. Steve Odom

Midland, TX 79701

Dear Steve:

After I talked with you the other day regarding Gene Bobo, I set up an appointment to counsel with him on Thursday, February 1, 1973 at 11:00 a.m. Rev. James Puckett, his pastor and I did counsel with him at that particular time. It was definitely manifest that Mr. Bobo realized that he had a severe professional problem that needed psychiatric attention, and was willing to begin treatment immediately. Rev. Puckett and I set up an appointment with the Out Patient Clinic at the State Hospital here in Big Spring for Mr. Bobo to be evaluated by one of the clinical psychologist at 1:00 p.m. on that date.

Rev. Puckett and I took Mr. Bobo to the Out Patient Clinic at the appointed hour. He was seen by the psychologist, and is to return to the State Hospital this Wednesday, February 7th to set up a treatment protocol on an out patient basis.

It is my recommendation that Mr. Bobo cease working with any of the scout units of this district until his therapist at the State Hospital indicates to you our the District Chairman that he has made satisfactory improvement. I feel that someone who is officially connected with the district work or the council should explain this to Mr. Bobo in person, so that Mr. Bobo understands that this would include any volunteer contacts with the scout units.

I also feel that Mr. Bobo should make satisfactory progress with his problem with professional care at the State Hospital, however, it seems to me that someone in the district or the council should receive some kind of progress reports on him.

If I can be of any further assistance, feel free to call on me. I do want to keep my relationship to Mr. Bobo on a professional basis as a minister and counselor, and hope that someone else can counsel with him regarding problems relating to scouting. I definitely can not mix the two without putting Mr. Bobo on the defensive.

Sincerely yours,

Clayton Hicks

INTRACORGANIZATION COMMUNICATION

February 13, 1973

Mr. Robert C. Rusby
Director of Manpower
South Central Region

Dear Bob:

Thank you very much for sending me the letter concerning Gene Bobo. However!!!

I have read the letter three times, and I still don't know exactly what the specific reason is for placing Gene Bobo on the confidential file. Is it merely a case of emotional instability? Or was he actually involved in a specific act of unsocial behavior?

If we are in effect to create a confidential file for this man, we must have documentation for backup. His need for psychiatric consultation is not sufficient cause for a confidential file case.

Sincerely,

Earl L. Krall

Dear Earl:

From the information that I have received from the Scout Executive, Gene Bobo was fired when circumstantial evidence indicated acts of perversion. From what I understand, he has admitted this problem to the psychiatrist who is now treating him. This is the reason he made the statement in the letter as he did that Gene should not have the opportunity to associate with boys.

If you need further information, may I suggest that you write the Scout Executive of Midland, Texas, Steve Odom.
